For assistance with validation errors in Cosmetics Direct, contact [cosmeticsdirect@fda.hhs.gov](mailto:cosmeticsdirect@fda.hhs.gov). For general questions regarding electronic registration of cosmetic product facilities, contact [eRLC@fda.hhs.gov](mailto:eRLC@fda.hhs.gov).

A summary of registration information for cosmetic product facilities is provided below. For more information, please also refer to: [Registration & Listing of Cosmetic Product Facilities and Products](#).

In general, every person that owns or operates a facility that engages in the manufacturing or processing of a cosmetic product for distribution in the United States must register each facility (section 607(a)(1) of the FD&C Act). Please refer to FDA's guidance document for the description of "facility" and exemptions, such as for "small business" in the registration context: [Guidance for Industry: Registration and Listing of Cosmetic Product Facilities and Products](#). For more information, please also refer to: [Registration & Listing of Cosmetic Product Facilities and Products](#).

To facilitate the registration process, the owner or operator of a facility will need to obtain an FEI number before submitting the facility registration. To determine if an entity already has an FEI number, please refer to the [FEI Search Portal](#). If your firm does not have an FEI number assigned by FDA, see [How can I request an FEI? at FEI Search Portal \(fda.gov\)](#).
